

A LIVING ECOSYSTEM

Youth Outreach Series

Riverside Park - New London, CT

(Meet at the pavilion; parking is available near the rest room.)

Join us for hands-on workshops which will explore the park's terrain, identify native and invasive plants, and encourage stewardship of New London's resources. Led by environmental educator Suzanne Thompson, the sessions will be timed with nature cycles throughout the spring, summer, fall, and winter seasons.

Summer sessions will be held on Saturday mornings
10:00-11:30am:

June 3

July 1

August 5

June 17*

July 15*

August 19*

* Riverside Park clean-up/planting days will be held concurrently with these sessions. Parents are invited to participate in these neighborhood events.

A Living Ecosystem series details:

- For children age 5 and up
- Wear sturdy shoes or boots; long pants are recommended.
- This is not a drop-off program; young children must be accompanied by parents or older siblings
- While walk-ins will be accepted, preregistration is encouraged; use the QR code to access registration form.
- Fall schedule to be determined.

The Living Ecosystem Series is FREE for all participants, thanks to the Community Foundation of Eastern CT.
