On September 15, 2012, fifteen local artists participated in the first-ever Riverside Park Plein Air Painting event at the 2nd Annual "Down By the Riverside" Festival.

Choosing from vistas of the Thames River, wooded and open park landscapes, and nearby buildings and structures, the artists spread out around the park and spent the day creating a varied collection of water color and oil paintings.

We are grateful to all the participating painters, who have graced us with an artist's view of a unique East New London landscape. We are already looking forward to next year's event.

Thank you to Todd O'Donnell and Barbara Timken, who generously offered the lovely lobby of New London's historic Union Station for display of the the 1st Annual "Scenes from Riverside Park" Plein Air Exhibit.

For more information about purchasing paintings, contact the artists directly or email <info@friendsofriversideconservancy.org>.
